

This announcement is for information purposes only and does not constitute an invitation or offer to acquire, purchase or subscribe for securities. Potential investors should read the prospectus dated 21 January 2008 (the "Prospectus"), issued by Solargiga Energy Holdings Limited ("the Company") for detailed information about the Hong Kong Public Offer and International Placing described below before deciding whether or not to invest in the shares thereby being offered.

This announcement is not, and is not intended to be, an offer or sale of securities of the Company in the United States. Securities of the Company may not be offered or sold in the United States absent registration or an exemption from registration under the United States Securities Act of 1933, as amended. A public offering of securities to be made in the United States will be made by means of a prospectus. Such Prospectus will contain detailed information about the Company making the offer and its management and financial statements. The Company does not intend to register any part of the Global Offering in the United States. There will be no public offering in the United States of securities being offered in the Global Offering.

The Stock Exchange of Hong Kong Limited (the "Stock Exchange") and Hong Kong Securities Clearing Company Limited ("HKSCC") take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.

Prospective investors of the Offer Shares should note that BNP Paribas Capital (Asia Pacific) Limited (the "Global Coordinator") (on behalf of the other Hong Kong Underwriters) are entitled to terminate their obligations under the Hong Kong Underwriting Agreement by notice in writing to the Company, upon the occurrence of any of the events set out in the subsection headed "Grounds for termination" in the section headed "Underwriting" in the Prospectus, at any time prior to 8:00 a.m. (Hong Kong time) on the date on which dealings in Shares first commence on the Stock Exchange (which is currently expected to be Friday, 1 February 2008).

In connection with the Global Offering, the Global Coordinator, as stabilising manager, or any person acting for it, on behalf of the Underwriters, may over-allocate or effect transactions with a view to supporting the market price of the Shares at a level higher than that which might otherwise prevail for a limited period after the Listing Date. However, there is no obligation on the Global Coordinator or any person acting for it to conduct any such stabilising action. Such stabilising action, if taken, will be done at the absolute discretion of the Global Coordinator or any person acting for it and may be discontinued at any time, and is required to be brought to an end after a limited period, which begins on the Listing Date and ends on the 30th day after the last day for the lodging of applications under the Hong Kong Public Offer. The stabilising period is expected to end on 24 February 2008. After that date, when no further stabilising action may be taken, demand for the Shares, and therefore their market price, could fall. The details of the intended stabilisation and how it will be regulated under the Securities and Futures (Price Stabilizing) Rules of the SFO are contained in the paragraph headed "Over-allotment Option and Stabilisation" in the section headed "Structure and conditions of the Global Offering" in the Prospectus. Potential investors should be aware that stabilising action cannot be taken to support the price of the Shares for longer than the stabilisation period.

In connection with the Global Offering, the Global Coordinator may over-allocate up to and not more than an aggregate of 63,399,000 additional Sale Shares (representing approximately 15% of the total number of Offer Shares initially available under the Global Offering) to cover over-allocations (if any) in the International Placing by exercising the Over-allotment Option up to the date which is the 30th day after the last day for the lodging applications under the Hong Kong Public Offer, by making purchases in the secondary market at prices that do not exceed the Offer Price or by stock borrowing or through a combination of these means. In the event that such Over-allotment Option is exercised, a press announcement will be made.

Unless otherwise defined herein, terms used in this announcement shall have the same meanings as those defined in the Prospectus.

BNP PARIBAS
CORPORATE & INVESTMENT BANKING

The Company is initially offering 42,268,000 Hong Kong Offer Shares for subscription, representing approximately 10% of the total number of Offer Shares initially being offered in the Global Offering, for subscription by way of a public offer in Hong Kong at the Offer Price. Application has been made by the Company to the Listing Committee of the Stock Exchange for the granting of the listing of, and permission to deal in, the Shares in issue and to be issued as mentioned in the Prospectus and the Application Forms. Dealings in the Shares on the Stock Exchange are expected to commence at 9:30 a.m. on Friday, 1 February 2008. Subject to the granting of listing of, and permission to deal in, the Shares on the Stock Exchange and the Company's compliance with the stock admission requirements of HKSCC, the Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in the Central Clearing and Settlement System ("CCASS") with effect from the date of commencement of dealings in the Shares on the Stock Exchange or any other date as HKSCC chooses. Settlement of transaction between participants of the Stock Exchange is required to take place in CCASS on the second Business Day after any trading day. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements have been made for the Shares to be admitted into CCASS.

The Offer Price will not be more than HK\$4.88 per Offer Share and is currently expected to be not less than HK\$4.08 per Offer Share, unless otherwise announced. The Offer Price is expected to be determined by agreement between the Company, the Selling Shareholders and the Global Coordinator (on behalf of the Underwriters) at or prior to 9:00 a.m. on 26 January 2008 or such later time or date as may be agreed by the Company and the Global Coordinator but in any event not later than noon 26 January 2008. The Offer Price will be not more than HK\$4.88 per Offer Share and is expected to be not less than HK\$4.08 per Offer Share. Investors applying for Hong Kong Offer Shares must pay the maximum Offer Price of HK\$4.88 per Offer Share together with brokerage of 1%, Stock Exchange trading fee of 0.005% and SFC transaction levy of 0.004%. The Global Coordinator (on behalf of the Underwriters) may reduce the indicative Offer Price range stated in this prospectus at any time prior to the morning of the last day for lodging applications under the Hong Kong Public Offer. In such a case, a notice of the reduction of the indicative Offer Price range will be published in the South China Morning Post (in English) and Hong Kong Economic Times (in Chinese) not later than the morning of the last day for lodging applications under the Hong Kong Public Offer. If applications for Hong Kong Offer Shares have been submitted prior to the day which is the last day for lodging applications under the Hong Kong Public Offer, even if the Offer Price is so reduced, such applications cannot subsequently be withdrawn. Further details are set out in the sections headed "Structure and conditions of the Global Offering" and "How to Apply for the Hong Kong Offer Shares" in the prospectus. If, for any reason, the Offer Price is not agreed between the Company, the Selling Shareholders and the Global Coordinator (on behalf of the Underwriters) at or prior to 9:00 a.m. on 26 January 2008 (or such later time or date as may be agreed by the Company, the Selling Shareholders and the Global Coordinator) but in any event not later than 12:00 noon on 26 January 2008, the Global Offering will not become unconditional and will lapse.

The Global Offering is conditional on the conditions as stated in the section headed "Structure and conditions of the Global Offering" of the Prospectus. If the conditions are not fulfilled or waived prior to the times and dates specified, the Global Offering will lapse and the Stock Exchange will be notified immediately. Notice of the lapse of the Hong Kong Public Offer will be caused to be published by the Company in South China Morning Post (in English) and the Hong Kong Economic Times (in Chinese) on the next day following such lapse. In such eventuality, all application monies will be returned, without interest, on the terms set out in the paragraph headed "Refund of your money" on the notes attached to the Application Forms.

The number of Shares initially being offered for subscription by the public under the Hong Kong Public Offer (without taking into account any adjustment of Offer Shares between the International Placing and the Hong Kong Public Offer referred to in the paragraph “Allocation of Offer Shares between the Hong Kong Public Offer and the International Placing” in the section headed “Structure and conditions of the Global Offering” in the prospectus) will be divided equally into two pools for allocation purposes: pool A and pool B.

Assuming there is no adjustment of Offer Shares between the International Placing and the Hong Kong Public Offer, 21,134,000 Offer Shares will be available for subscription under each of pool A and pool B. The Hong Kong Offer Shares in pool A will be allocated on an equitable basis to successful applicants who have validly applied for Hong Kong Offer Shares with an aggregate subscription price (excluding amounts of brokerage, SFC transaction levy and Stock Exchange trading fee payable) of HK\$5 million or less. The Hong Kong Offer Shares in pool B will be allocated on an equitable basis to successful applicants who have validly applied for Hong Kong Offer Shares with an aggregate subscription price (excluding amounts of brokerage, SFC transaction levy and Stock Exchange trading fee payable) of more than HK\$5 million and up to the total value of pool B. Applications in pool A and applications in pool B may receive different allocation ratios. If Hong Kong Offer Shares in one pool (but not both pools) are undersubscribed, the surplus Hong Kong Offer Shares will be transferred to the other pool to satisfy demand in that pool and be allocated accordingly. **Investors can only receive an allocation of Hong Kong Offer Shares from either pool A or pool B but not from both pools and may only apply for Hong Kong Offer Shares in either pool A or pool B.** In addition, multiple or suspected multiple applications within either pool or between pools will be rejected. No application will be accepted from applicants applying for more than 21,134,000 Offer Shares (being 50% of the initial number of Hong Kong Offer Shares). Each applicant under the Hong Kong Public Offer will also be required to give an undertaking and confirmation in the application form submitted by him that he and any person(s) for whose benefit he is making the application have not indicated and will not indicate an interest for and have not received or been placed or allotted (including conditionally and/or provisionally) any International Placing Share under or otherwise participated in the International Placing, and such applicant's application is liable to be rejected if the said undertaking and/or confirmation is breached and/or untrue (as the case may be). The Company and the Global Coordinator have full discretion to reject or accept any application, or to accept only part of any application.

Certain of the Selling Shareholders intend to grant to the Global Coordinator the Over-allotment Option, which will be exercisable in full or in part by the Global Coordinator no later than 30 days after from 24 January 2008, namely the last day for lodging of applications under the Hong Kong Public Offer. Pursuant to the Over-allotment Option, such Selling Shareholders may be required to sell at the Offer Price up to an aggregate of 63,399,000 additional Sale Shares, representing approximately 15% of the total number of Shares initially available under the Global Offering, to cover over-allocations in the International Placing and/or the obligations of the Global Coordinator to return securities under the Stock Borrowing. In the event the Over-allotment Option is exercised, an announcement will be made by the Company.

Applications for the Hong Kong Offer Shares will only be considered on the basis of the terms and conditions of the Prospectus and the related Application Forms. Applicants who would like to have the allotted Hong Kong Offer Shares in their own names should complete and sign the **WHITE** Application Forms. Applicants who would like to have the allotted Hong Kong Offer Shares registered in the name of HKSCC Nominees and deposited directly into CCASS for credit to their CCASS Investor Participant stock accounts or their designated CCASS Participant's stock account should (i) complete and sign the **YELLOW** Application Form, copies of which, together with copies of the Prospectus, may be obtained during normal business hours from 9:00 a.m. on Monday, 21 January 2008 until 12:00 noon on Thursday, 24 January 2008 at the Depository Counter of HKSCC at 2nd Floor, Vicwood Plaza, 199 Des Voeux Road Central, Hong Kong; or (ii) give **electronic application instructions** to HKSCC via CCASS.
